## EXPERIENCE

### SENIOR iOS DEVELOPER at Team JobAdder

#### CBTW IT & Technology / Positive Thinking Company

- 📅 06/2022 - Present 📍 Tan Binh District, HCM City
- Successfully developed and released **8** versions of the JobAdder iOS app, adding numerous new features and improvements that have significantly enhanced the user experience and functionality of the app.
- Played a crucial role in increasing the unit test code coverage to **54%**, achieved a remarkable **100%** crash-free user rate, and **97.7%** overall performance score on New Relic. These numbers indicate the app's exceptional stability and responsiveness under various usage scenarios.
- Fully completed setting up **CI/CD** on GitHub Action, auto-detecting priority running on Self-hosted runner to save cost, uploading test results to SonarCloud, and releasing the new version to Testflight.

### SENIOR iOS DEVELOPER

#### HDWEBSOFT Software Development Company

- 📅 05/2018 - 06/2022 📍 Tan Binh District, HCM city, Vietnam
- Led a team of **4+** developers, fostering a collaborative environment that delivered new application capabilities, ensured smooth maintenance, and provided efficient support for customer issues.
- Contributed significantly to the successful development of **5+** projects, directly impacting user satisfaction.
- Possess strong technical expertise, demonstrated in reviewing client requirements, wireframes, and designs for technical feasibility. This proactive approach ensured project success.

### WORDPRESS & iOS DEVELOPER

#### 3FORCOM - An international IT partner

- 📅 11/2016 - 04/2018 📍 District 10, HCM city, Vietnam
- Ensured application stability through daily code maintenance, efficiently debugging issues and resolving client problems.
- Demonstrated strong problem-solving skills by successfully resolving UI design issues for multiple versions of iOS.
- Thrived in a fast-paced environment, consistently meeting deadlines by completing expected deliverables on time for every sprint while adhering to project plans.

### WEB & iOS DEVELOPER

#### The AGENCY | Editorial Corporate Design

- 📅 09/2014 - 10/2016 📍 District 7, HCM city, Vietnam
- Developed engaging UI components and outlets for application screens, contributing to a user-friendly and intuitive experience.
- Collaborated effectively with product managers and designers to translate their vision into a rich and engaging iOS experience.
- Demonstrated expertise in responsive web by creating websites that seamlessly adapt to various user devices, ensuring an optimal web experience across platforms.
